**DAKOTA RIDGE METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

SERVICES PROVIDED

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District operates under a Service Plan approved by Jefferson County on September 28, 2021.

The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements and services, including water, sanitation, street, safety protection, park and recreation, transportation, television relay and translation and mosquito control improvements and services.

The District has no employees and all administrative functions are contracted.

REVENUES

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Developer Advance

The District is in the development stage. As such, the operating and administrative expenditures will be mainly funded by the Developer. Developer advances are recorded as revenue for budget purposes with an obligation for future repayment when the District is financially able to reimburse the Developer from bond proceeds and other legally available revenue.

**DAKOTA RIDGE METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

EXPENDITURES

Administrative and Operating Expenditures

Operating and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance and meeting expense. Estimated expenditures related to street repairs and maintenance, street lights, street sweeping, landscaping, mowing, parks and open space maintenance, utilities and snow removal were also included the General Fund budget.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections

Emergency Reserve

The District has provided for an emergency reserve fund equal to at least 3% of fiscal year spending as defined under TABOR.

Debt and Leases

General Obligation Limited Tax Bonds, Series 2022A(3) (the "Series 2022A(3) Bonds"). The District issued the Series 2022A(3) Bonds on March 15, 2022, in the par amount of \$2,339,000. Proceeds from the sale of the Series 2022A(3) Bonds will be used for (a) financing or reimbursing a portion of the costs of acquiring, constructing, and/or installing certain public infrastructure to serve the Development; and (b) paying the costs of issuing the Bonds. The Series 2022A(3) Bonds bear interest at the rate of 6.000% and are payable annually December 1, commencing December 1, 2022. The Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest prior to the maturity date. The Series 2022A(3) Bonds mature on December 1, 2052 and are subject to mandatory redemption to the extent of available Pledged Revenues.

The 2022A(3) Bonds are secured by and payable from Pledged Revenue consisting of monies derived by the District from the following sources, net of any collection costs: (1) the Required Mill Levy, (2) the portion of the Specific Ownership Tax which is collected as a result of the imposition of the Required Mill Levy, and (3) any other legally available monies which the District determines to be treated as Pledged Revenue. The Required Mill Levy means an ad valorem mill levy imposed upon all taxable property of the District each year in an amount sufficient to pay the principal, premium if any, and interest on the 2022A(3) Bonds as the same become due and payable but not in excess of 50.00 mills, provided however, that in the event the method of calculating assessed valuation is or was changed after January 1, 2021, the maximum mill levy will be increased or decreased to reflect such changes.

**DAKOTA RIDGE METROPOLITAN DISTRICT
2023 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases (Continued)

The Series 2022A(3) Bonds are subject to redemption prior to maturity, at the option of the District, on March 1, 2027, and on any date thereafter, upon payment of par, accrued interest, and a redemption premium equal to a percentage of the principal amount so redeemed, as follows:
